EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 1-20 & 24-26 have been cancelled.

This application is in condition for allowance except for the presence of claims 1-20 & 24-26 to an invention non-elected without traverse. Accordingly, the claims have been cancelled (see examiner's amendment above).

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The subject matter of the independent claims could either not be found or was not suggested in the prior art of record. The subject matter not found were the steps of the apheresis system giving a first prompting of an observed condition, the first prompting being performed by an operator, and simultaneously displaying on the operator interface a plurality of conditions, each having at least one remedial action, in combination with the other steps in the claims.

Art Unit: 3762

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
